

In the Garden

This summer, I have a job. I help my neighbor with her garden. Her name is Mrs. Gomez. Her garden is in pots. The pots are very pretty. Many of them have flowers that bloom. Some of the pots have vegetable plants. I have never planted anything before. Mrs. Gomez gave me a pot with some soil. She helped me plant each seed. I gave them water every day. My plants grew and grew. Now they are tall and green. They have pretty blooms, too. Someday I will have my own garden.
