# Ordering numbers to 100

Scatter the number cards face down on the table.

Turn over three cards.

Show me the largest number.

Tell me the number.

Seventy-three.

73    42    35

Repeat for different sets of three cards, sometimes asking for the smallest number.

Colour the **largest** number red.
Colour the **smallest** number yellow.

91
90    89

73
77    76

Write the numbers in order.

59  86  63  81  75

Start with the **largest.**

39  47  35  50  41

Start with the **smallest.**
