My name is Snappy. I am a crocodile. I have scaly skin and a long, pointed snout. I have a long tail and short legs. I have strong sharp teeth. When I swim under water I can close my ears. I am a good swimmer. I like to spend the day sunbathing by the river. If I get too hot I slip into the water. I come out at night to hunt for food. My favourite food is fish. When I was born, I hatched out of an egg. I have lots of brothers and sisters. They hatched out of eggs too. Do you have any brothers or sisters?
